Villa Melete Athens, Greece

A MAGNIFICENT VILLA ON THE COAST OF ATHENS

Located right on the coast, just before the famous archaeological site of Sounio, this is one of the rare properties that were constructed in the early 70's for one of the leading shipping families of the Onassis era. On one side of the ample garden in front of the villa, lies the 130 square meter swimming pool and on the other, a few steps down, a beautiful thin pebble beach. All that not very far from the prestigious seaside suburbs of Vouliagmeni, Kavouri and Lagonissi, the golf course of Glyfada and the Athens airport.

You will be amazed by the spacious layout of approximately one 1'000 square meters and the prestige that is evident everywhere. Decorated with pieces by the most famous Greek furniture makers and artwork by known artists, the villa can comfortably accommodate up to 11 people in its six bedrooms of generous sizes, complemented by a large study, two dining areas and a huge living room with views to the garden and the sea. A team of four staff will be at your service, ensuring that you have an unforgettable stay.
